

Utility Line Protection Program Now Available to Residents!

Posted on: May 9, 2012

The Service Line Warranty program provides low cost, worry-free warranty protection for sewer lines. The Service Line Warranty program offers citizens an affordable way to avoid the unexpected and often large expense involved with a sewer line break. When a line breaks, the cost to repair it can often cause hardship on a family's budget. This new program will offer warranty protection to help cover the costs of a break.

City of Sheridan residents will see offers in their mail boxes soon. The cost for citizens who choose to purchase the warranty protection is \$5.50 per month, and will cover sewer line repairs up to \$4000 plus an additional allowance of \$4000 for public street cutting, if needed. The program is offered at no cost to the City of Sheridan, and no public funds are used to promote the program.
