

## **NLC Service Line Warranty Program - Spring 2012 Campaign**

*Posted on: May 15, 2012*

City residents have the opportunity to participate in two separate programs for water and/or sewer replacement at a relatively low monthly cost. The program is administered by Utility Service Partners, Inc . dba Service Line Warranty of America (SLWA). In essence citizens can purchase, through SLWA, an insurance policy on their water and/or sewer laterals. A Spring 2012 Campaign is underway and letters are scheduled to be mailed out on Tuesday, May 15th to residents of Cody. It may take up to a week for residents to receive the letters, if after May 21st you have not received a letter and are interested in information about this program, visit Service Line Warranty of America at [www.SLWofA.com](http://www.SLWofA.com) or call 1-866-922-9006. Please note the City of Cody does not administer this warranty program
