Optional Program Available to NS Homeowners with Sewers

The Town of North Smithfield recently introduced a new, optional program available to homeowners with sewers, which provides low cost warranty protection for sewer lines, provided through the National League of Cities (NLC) and administered by Service Line Warranties of America (SLWA). A mailing, paid for by SLWA, went to many homeowners. Some may not have sewers therefore this service will not apply to them. This is an optional program. No one is required to participate.

NORTH SMITHFIELD– The Town of North Smithfield recently introduced a new, optional program available to homeowners with sewers, which provides low cost warranty protection for sewer lines, provided through the National League of Cities (NLC) and administered by Service Line Warranties of America (SLWA). A mailing, paid for by SLWA, went to many homeowners. Some may not have sewers therefore this service will not apply to them. This is an optional program. No one is required to participate.

SLWA has a perfect Better Business Bureau Rating and uses local contractors familiar with local permitting and codes. “We are pleased to work with the Town of North Smithfield to offer an affordable Service Line Warranty program,” said Brad Carmichael, Vice President of Business Development. “We believe residents who have sewers will be pleased with our features and benefits, including a 24-hour repair hotline and the use of local, certified technicians. This keeps dollars in the local economy, an important benefit in these tough financial times.”

SLWA headquartered in Canonsburg, Pennsylvania operates under the umbrella of Utility Service Partners. Formed in 1996, the company is one of the nation’s largest and most trusted sources of utility line warranties. The National League of Cities is dedicated to helping Town leaders build better communities, and serves as a resource and advocate for 19,000 cities, towns and villages, representing more than 218 million Americans. After a decade in business, SLWA has an A+ rating with the Better Business Bureau. Contact Service Line Warranties of America 866-922-9006 or service@slwofa.com.
