

Sewer Line Warranty Program Offered

04 April 2012

The Town of Mooresville announces a new optional program for homeowners provided through a partnership with the National League of Cities (NLC) and Service Line Warranties of America (SLWA). The Service Line Warranty program offers warranty protection to help cover the cost of a sewer line break.

The cost for Town residents who choose to participate in the warranty protection is \$5.95 per month and will cover sewer line repairs up to \$4,000, plus an additional \$4,000 for public street cutting, if needed. The program is NOT administered by the Town.

Information letters will be mailed soon to all residents. For more information, call the Town's Public Utilities Division at 704-663-7282. To learn more about SLWA, visit www.SLWofA.com.
